

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear violation of our country's media laws, and I want it stopped..

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This means that they must offer equal time to all candidates. They are not doing so, and therefore must be stopped.

I respectfully request and demand that the FCC take protective action. You must stop this abuse, and prevent this flagrant violation of the nation's election and communication laws. Thank you.
